Hello Jean Luc,

Thanks for the quick answer.

We will talk about that matter later, first let's solve the issue please.

I'm travelling today so have a limited access to my mails.

Hello [REDACTED],

We will speak with the buyer this morning and ask for the funds to be retrieved.

To confirm, which payment method would you like to receive the funds?

I will keep you informed.

Hello Jean Luc,

Thanks,

The only solution is to ask the refund to the bank. Only the sender can do it. The funds are blocked. Such as the account as long as you do not ask the refund.

There is unfortunately no other solution.

It's really critical. The owner now has to go in Dubai to go at his bank specially due to that and could be banned to all the banks due to your transfer.

Please act immediately

Thanks in advance
